## Year 5

### Football Tournament

Year 5 took part in a football tournament last night. Ryan Taylor went along to watch and his report will be featured in next week's newsletter.

### Maths day Challenge

Today Mr Beere went along with some of our Year 5 and 6 to take part in a Maths challenge day at Brockhill. We hope they had the right answers.

### School

Year 6 are going to visit their new schools on 10<sup>th</sup> July. Those who are going to the Academy are lucky they get to go for an extra day.

### Mrs Carroll's baby

Yesterday Mrs Carroll brought her baby son Daniel in so she could watch sports day. We all think that Daniel looks like his dad and brother.

### The Eco News

Last week the eco committee raised a whopping **£16!** They sold lettuces, carrots and beans. They are starting a stall during Friday assemblies. If you want a lovely lettuce, a crunchy carrot, a brilliant bean, tell your folks about the **ECO STALL!**

## Chocolate Tip

In 2006, limited-edition chocolate pop rocks were released. The pop rocks are coated with a shiny milk chocolate coating. Suck the chocolate off, and you're left with the regular, fizzy pop rocks.

## Number facts

**42%**

The percentage that tea makes up for in the average intake of fluids in the UK.

## Tag Day

On Monday it will be tag day but instead of bringing in money we would like you to bring in something for the school fair e.g. soft toys, prizes or something for the tombola etc.

### Otter's school trip

On Thursday Otters went to the beach in Folkestone and had a treasure hunt and a sandcastle competition. After that they went to the coastal park, but it rained so instead of eating lunch out in the open they ate in the zigzag caves. When they got back, everyone was tired!

### Yr 3/4's trip

Earlier this week year 3/4 went on a trip to the Battle of Britain museum and had a blast!

## Sport's day

Lots of you turned up to watch us at sports'

day yesterday, but for those of you who didn't everyone had a great time, there were three groups: Rhinos, Tigers and Zebras. Zebras won, Tigers were second and Rhinos were third well done to Zebras, and bad luck to the others. Zebra got most points at things like relay race, space hoppers, basket ball, big feet race, and throw the beanbag .

## Reminder to Year 5 Parents

If you want your son or daughter to take the Kent Test next Term please don't forget to hand your form into Mrs Crook it's really important. They all have to be back by 10<sup>th</sup> July

## Summer Fair

Remember that on Saturday 12<sup>th</sup> July 11.30 - 2.00 p.m. it is the schools summer fair, we hope to see you all there!

If you would like to help on the day please tell Mrs Watson, thank you
