Well done to Spitfire!

Herald and Kentish Express

Herald and Kentish Express Photographers came in to take photos for Jeans for Gene's day, so watch out for our photos in the papers!

School Council

Sponsor Money for our gymnastics

As you know last week we had a gymnast come in and we had to do a sponsored exercise. I am going to tell you how much each class raised.

Rhinos - £50
Panthers - £159.50
Grizzly Bears - £104.10
Orang-utans - £68.02
Golden Eagles - £75
Pandas - £86.50
Wombats - £51
Snow Leopards - £91

The people that raised over £30 are:

Ryan Covall
Lauren Chetty
Lauren Jones
Jade Hodgkinson
Bradley Hodgkinson
Abigail Goodger
Lauren Brisley
Leon Stevens

The German Leaving do!

Last week we are said goodbye to Frau Hodak and Frau Renkert. On Thursday we had a leaving bash with lots of different foods from Germany such as Pretzels, Stollen, Sausages and Sauerkraut.

Lunch time Awards

Jake Braithwaite
Molly Cunningham
Luca De Felice
Jemima Small

Eco news

Just a reminder to say that the Eco competition is still going on so remember if you think you have a good word for our ECO code enter it! You never know you might be the lucky winner!

The Eco committee are also having a walk to school campaign and stickers will be given to all those children who walk to school more information closer to the time. If you have any pot plants could we please have them and if you have winter seeded vegetables or plants then could we please also have them! Lastly there is a new gardening club on Friday lunchtimes ask Ms Nicholson-Taylor for more details. Thanks!

Table Tennis

Just to remind you that table tennis will be starting for year 4 to year 6 after half term. Come along if you want to learn new techniques, not just for a chat!

Swattenden meeting

On Wednesday Mrs Nicholson-Taylor held a meeting about health and safety at Swattenden. For any information about Swattenden, see Mrs Nicholson-Taylor.

School Council

A reminder for all school councillors there is a meeting on the Thursday 18th of October, don't forget! We will be reviewing the ideas and hopefully will be getting some new bins for lunch!

Your favourite views

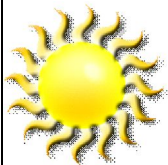

Today we are looking at Miss Clancy's favourite view, and she says her

favourite views is as your walking over

Westminster Bridge, from south, to north side because the famous Houses of Parliament appear suddenly and it is placed in front of the London Eye. She says it is so wonderful seeing the two London landmarks fitting together like a jigsaw.

Miss Dawe's favourite view is as she is driving up to her Mum and Dad's house and can see the sunset across the fields.

Mr Metcalf's favourite view, is the view from the Sevenstones Inn on St. Martins in the Isles of Scilly because everyday it is different! In the 6 years he was there he saw the future king of England, Jude Law and Siena Miller, hurricane force winds, scorching hot days all this from a seat outside his fabulous house.

Harvest festival

On Tuesday the 16th at 9.00am it is our Harvest Festival, so everyone dig out your tins and packets to give to those more unfortunate than us. Everyone is welcome to come along to see what we have learnt about the Harvest Festival.

House captains

Last week Mrs Watson announced the names of the house captains. They will be out doing jobs and helping out around the school. Here are the house captains:

School captains: Ryan Taylor & Danielle Humphrey

Lancaster: Lucy Howes & Emily Barron

Lysander: Amy Young and Phoebe Webb

Spitfire: Morgan Clark & Charlotte Dodson

Hurricane: Ashley Joyce & Mitchell Dyos

Breakfast Club

This week a picture of some people from breakfast was put in the Ad Scene because Sainsbury's donated hundreds of pounds worth of cooking equipment to schools all over Folkestone including ours. Each kit contained over 100 pieces of equipment. We are also taking part in the Active Kids Get Cooking, national competition.

Open day-next week!

Next week on the 17th, there is a school open day. So if you've got a little brother or sister, tell your parents to bring them in!

Half Term!

Don't forget it is half term already! We break up on Friday 19th October and come back to school on Monday 29th October! Have a good holiday!

On Thursday last week the School Council had a meeting in Mr Rogers's classroom. We discussed the questionnaires that your classes filled in these are the ideas we came up with, improvements you voted for: KS2 toilets, Repaint Netball Pitch and to build a new shed for the playground. Also we have a head councillor who is Chloe Wilson from Golden Eagles, and a vice councillor Ryan Taylor (me!) I will tell you about the next meeting in the newsletter.

Otters

The children in Otters class are settling into the school well and are now beginning to find their way around They are getting to know each other and where all the activities are kept in their 2 classrooms - the riverbank and the Holt. They have enjoyed learning in their outside classroom and had great fun managing the big toys in the hall.

Last Tuesday their brothers and sisters came to visit and they played with their sibling in activity time.

Thanks!

Thank you to Potten Farm Nursery in for giving the school such a good discount on flowers to hang in the hanging baskets at the front of the school (has anyone noticed how good they are looking?) and to Mr Metcalf for spending his Sunday planting them!
