Weather

As we all know there has been some bad weather lately. It has been cold, wet and windy, so we would appreciate it if you could send your child into school with a coat and some sensible footwear.

School Website

There is a new school website that Mr. Rogers has very kindly made for our school. There are lots of fun and games; there are lot of pictures of things that have happened this year and last year and there are pictures of all the teachers on the class pages. The year 5/6 pages have a link to a site called what's my angle, message for all Miss Ward's Numeracy group - don't forget to have a go for homework. The web address is www.hawkingeprimaryschool.co.uk please do have a look. (It's fantastic).

Miss Dawe says there will be no German Club because she only had four replies. So for the people that wanted to go, sorry.
