Dear Parents / Carers,

Arts and Geography fortnight is coming to an end. It has been a superb week; it's so nice to see children excited about learning more about the Arts, history, geography and culture of their own country and other countries that make up the school community.

The fortnight ends on Friday with a final presentation in the Community Centre, starting at 1:30pm. Pupils will perform dances and songs, and there will be displays of work completed over the last 2 weeks. Everyone is welcome. The presentation should finish at approx 2:30pm. The children will then walk back across to school and will be ready to collect from classrooms as usual at 3pm. Everyone has worked very hard throughout the 2 weeks, but a special thank you must go to Mrs Chown and Miss Godden who have been teaching the children traditional dances to the countries they have been learning about. Thank you both.

The Y56 classes, as part of learning about the Nepalese culture, have been to visit the Hindu Temple at Shorncliffe Barracks this week – all the children came back very fired up about the visit. They have been telling me that the Pundit took the children into the prayer hall which they said looked beautiful. Some of the Y5 pupils said that they saw some of the soldiers on parade which was a very exciting sight according to staff and children.

The pupils from Spiders and Ladybirds will be going to visit the temple one morning next week as part of their work on 'Cultural Diversity' – it is great to have such a resource so close to school.

The PTFA have started to work on the Summer Fair already this week. One member of the PTFA has been busy selling balloons for the 'Balloon Race' costing £1 per balloon. These will continue to be on sale for the remainder of this week before school. A current Y5 pupil – Annelise Partridge – let a balloon off when she was 3 living in Spalding at the opening of her playgroup. That balloon was then found in a field in Luxembourg by 2 children. I wonder of any if our balloons will travel as far?

Have a nice weekend,

Aly

Mrs Hughes Money Saving Tip of the week

Keep an eye open for supermarket offers on school uniform. Buy early for September - take advantage of offers now, they will not be around in September! Asda has just had a uniform offer, so keep your eyes peeled for offers from Sainsburys and Tesco's – they will probably follow suit!
