Dear Parents,

The end of term is quickly approaching and we still have so much to do!

Next week pupils in Y12 and the 2 Foundation Stage Classes have got their school trips, Y6 will be performing their opera and leavers play twice, the summer fair is on Saturday!

Thank you to everyone who turned up to Sports Day on Tuesday afternoon, it was good to see so many parents watching their children, and even better that we survived without too much rain!

Today, as I write pupils in Crickets are having great fun! They are working with 3 lecturers from Christchurch University to create their own bubble bath! (In a similar process to Te Apprentice episode this year) The classroom smells wonderful, and the children are clearly enjoying their work. I am sure they will be busy talking about it over tea tonight!

By the time you get this letter your child will have been to visit their new class teacher, in their new classroom, and all being well, will have decided on their new class name too. It is always an exciting afternoon for the children and staff to meet the new 'team'.

In the staff meeting this week we were discussing how to spend Monday 20<sup>th</sup> July, and we have decided to make it a nice end of year celebration day, and planned the following:

- At 9:30am we will go to the Community Centre for an end of year celebration, performing some songs, some pupils will be playing instruments, and some might even be dancing! The leavers will be presented with Prizes, as will pupils throughout the rest of the school who have 'gone the extra mile' this year. All parents, grandparents etc are more than welcome to come and join us. We will start promptly at 9:30am, and plan to finish 10:30am ish
- The classes will then go back to school and spend from 11 – lunchtime with their class doing a variety of fun activities.
- In the afternoon we have planned for a whole school picnic on the field (weather permitting) as we did last year, since everyone enjoyed it. Please send your child with some picnic food.
- Back into classes at 2:30pm for the end of the day, and fond farewells before going home!
- Y6 pupils will then be returning to school for their Leavers Disco and BBQ from 7pm – 9pm.

So, still busy right up to the end of the year!

Have a good weekend  
Aly
