Dear Parents / Carers,

This year you will notice that the School Reports are in a different format – these are more reflective of the way we are teaching in school this year, at the same time reporting clearly to you how well your son / daughter has worked and achieved.

We have had a greater focus this year on developing the skills that underpin learning – resilience, resourcefulness, reciprocity and reflection which are all commented on in the box entitled Learning Skills.

It has been a great year at Hawkinge Primary School this year – children have once again experienced good quality teaching and therefore their learning has improved significantly. Writing has been a school focus for improvement and I am happy to report that good progress in this area can be seen in all year groups.

It was with great anticipation that we opened the Y6 SATs results on Friday afternoon and were overjoyed to see how well the pupils in Y6 had achieved. Results are in the table on the left.

	Level 4	Level 5
English	87%	32%
Maths	93%	48%
Science	98%	70%

I am exceptionally proud of the quality of education the children have received again this year, and it is rewarding to see pupils meeting and exceeding their targets in all year groups. It gives me great pleasure to know that as a school we are meeting our fundamental aim of ensuring that children leave Hawkinge Primary School with a good basis for which their future learning can be built upon.

It is Parents evening on Monday 6<sup>th</sup> July – please make an appointment with your child's class teacher to discuss their report, and to find out who their teacher will be next year.

I am sorry there is so much paper in this envelope – I thought it was better to get all the letters in one envelope rather than several – with less possibility of anything getting lost!

Thank you all for your on going support this year.

Yours sincerely

Aly Ward

## Parental comments about the End of Year report

*Please return to the school office*

My child's name	
My child's teacher:	

Any comments you would like to make about your child's progress this year / school report	
---	--

	Yes	No	Don't know
In your opinion does the school host enough after school clubs?			
Are there any clubs that we do not currently run that you would like to see next year? Please list them (please include the Yr Grp too)			
Do you feel that the school communicates with you well, through newsletters, the school website, text messages, Parents Evening, meetings with staff etc?			
Do you usually participate on the Walk on Wednesday days?			
Would you allow your child to 'Scoot to school' (on a scooter) if we provided a shelter for them to be kept in?			
Will you be attending the E safety workshop on Parents Evening (see separate letter)
