

## Session 3 agenda

1) Pupil Voice Leaders introduce themselves and take the register.

2) Review last session:

Children wanted to improve outside break/lunch times.

Ideas were collected on what needed to be improved and how we could go about this.

Main focus area: a wider range of games/sports equipment.

Children will be told about the range of equipment mentioned in the last session (show catalogue to give ideas of the games – prices will be cheaper than those listed). The group will then get the opportunity to vote on the equipment they like best.

**Children get three votes each.** The votes from all 11 groups will then be counted and collated on Friday 13<sup>th</sup> February.

On Wednesday 25<sup>th</sup> February a small selected group of pupil voice leaders will present proposals to the PTFA about the equipment requested to improve lunchtimes. This will include a list of resources and prices.

**DRAGON'S DEN STYLE QUESTIONING FROM THE PTFA**

Also on the 25<sup>th</sup> February, a small selected group of pupil voice leaders will present the pupil voice initiative to governors, explaining how it works and the progress so far.

3) *Pupil Voice Leaders have independently planned a game. They can play this game **if** they have time after they have given feedback and collected the votes of the children.*
