

Session 4 agenda

Thursday 2nd April

- 1) Pupil Voice Leaders introduce themselves and take the register.
- 2) Review last session:
Children wanted a wider range of games/sports equipment.

On Wednesday 25th February Aaron, Bradley and Louis presented proposals to the PTFA about the equipment needed to improve lunchtimes. Also the same three children presented the pupil voice initiative to governors, explaining how it works and the progress so far.

The PTFA have offered to give the pupil voice leaders £260 to spend on resources.

Playground Mega Kit
Easy Assemble Limbo Set
Junior Netball Unit

These resources have been ordered and some have even arrived in school already. Thanks go to Mrs Hughes who spent time with 3 of the Pupil Voice Leaders ordering the equipment.

- 3) Pupil Voice Leaders discussed teaching and learning in one of their Pupil Voice training sessions and devised a questionnaire they would like children in key stage 2 to complete. There is a separate questionnaire for key stage 1 to complete (see other sheets).

*4) Pupil Voice Leaders have independently planned a game. They can play this game **if** they have time after they have supported children in completing the questionnaires.*
