

Hawkinge Primary School
Parent Workshops

Come along to one of our Parent Workshops for an opportunity to share your experiences with other parents, to access resources & advice to help your family towards improved wellbeing. Complete the reply slip below to book your place on either or both of the workshops we are running this term.

E-Safety
& The Impact Of Screen Time on Young Minds

Tuesday 11th February 2020 9.00am – 11.00am

A workshop run by Aneeka Tappenden (Family Support Worker)

- Suitable for parents of all ages –

Is your child spending longer than you would like playing computer games?

Do you worry about keeping your child safe online?

Does your child want their first mobile phone already?

Join us on Safer Internet Day when we will explore the emerging research around the impact of screen time for our young people as well as building confidence in parents to champion the positives of computing and ideas of how we can best support our children to navigate safely in the digital world. Share your experiences with other parents, find out about how you can support your child & access resources to help you at home.

- The risks and rewards of computing & screen time
- Strategies for monitoring and managing screen time
- Understanding age restrictions on gaming & social media
- Online safety
