

Hawkinge Primary School - PE and Sport funding

2017 - 2018

Total School PE and Sport funding allocated: £19,140

Allocation of money

ALLOCATION OF MONEY	AMOUNT	EXPECTED IMPACT	ACTUAL IMPACT	SUSTAINABILITY/NEXT STEPS
Shepway Sports Competition Package	£3000	We will be able to access a range of competitions over the year, have help from PE specialists and be given detailed assessment tools to use.	This has had a huge impact on the profile of many sports in the school. The children have taken part in many competitions and learnt valuable sportsmanship, teamwork, leadership and communication skills. It has also been a good way to involve some of our more disadvantaged pupils and pupil premium children.	Local links with clubs and secondary schools have been made. Raised the profile of PE in school. PE leader will meet with the new School Games Organiser to identify and plan a programme of competitions, also identifying transport options, sport leader training and broadening our PE curriculum
Bikeability	£500	L1: Children will demonstrate skills and understanding to make a trip and complete activities in a free traffic environment. L2: Children will demonstrate skills and understanding to make a trip and complete activities and manoeuvres in	Children have been taught about how to be safer on the roads. Many children in Years 5 and 6 were trained and Year 6 children, who have passed L2 are able to cycle to school if they wish.	Children have learnt lifelong safety skills, meaning they will continue to be safer on the roads. Year 5 pupils will be offered Bikeability training this year as well as any Year 6 children who

		a road environment.		did not take part last year and would like to this year. (Year 6 will be trained first so that they are able to cycle to school for the year.)
Boxfit	Part of Shepway package	Professional boxer Josh Kennedy provides children with a 1 hour boxing session with the children who missed out last year. He will teach them to box in a controlled environment. It will also allow children to understand how boxing can allow children to keep fit and healthy.	This was a very successful session which children and staff thoroughly enjoyed. Many children were encouraged to get more involved in boxing locally and inspired by a professional world champion.	Children will have links to local boxing clubs and inspired to take part in boxing. We will try boxfit again in 2020.
Fun Factory	Part of Shepway package	A fun and inclusive sport session that will help ks1 pupils learn vital physical skills for their movement and coordination.	The children really enjoyed this session and showed improvements in levels of fitness. Staff were able to identify children that needed to develop their strength and stamina and also children that needed to be extended within their PE lessons.	Children will think about dance as a way of living a healthy lifestyle. Links with the instructor have been made and teachers will continue to identify children who need help with basic skills.
Safe Kids +	Part of Shepway package	Children will have the opportunity to build on their basic defence skills to use only in case of emergency. This links in with sports such karate, judo and boxing. Each one hour slot will consist of a 30 minute 'Stranger Danger' themed talk, followed by 30 minutes of activity where pupils are taught basic self-	The children lovely this session and understood when is needed to use a certain level of force. This built upon the skills learnt in the previous year and was linked to the martial arts. Teachers were able to identify children that were gifted and are able to recommend them to local clubs.	Children were encouraged to join boxing and martial arts clubs and were given information about them.

		<p>defence moves in a controlled environment with coaches who have over 30 years of experience. Each participant will receive a FREE month of Karate lessons which take place at Three Hills Sports Park.</p>		
Tiempo dance and fitness day	Part of Shepway package	<p>Children will be able to access exciting and energetic dances to teach them about keeping fit in a fun way.</p> <p>This will be an event stretching from year R to year 4 so will be nearly a whole school collaboration.</p>	<p>The whole school took part in a day's dance activities. This was a great opportunity to promote dance in school. The children learnt how to Exercise effectively and teachers learnt how to include aerobic exercise better in a dance lesson.</p>	<p>Children will think about dance as a way of living a healthy lifestyle.</p> <p>This is something we would like to repeat next year as part of the Shepway sports package.</p>
Beyond Limits bootcamp	Part of Shepway package	<p>Beyond Limits offers a fun filled yet controlled environment, for pupils to participate in challenging military style team building tasks with our ex-military coaches. These sessions aim to increase confidence, motivation and discipline whilst encouraging the development of key leadership qualities. Participation of up to 20 pupils per session in year 5/6.</p> <p>This will hopefully help the less engaged children to participate in sport.</p>	<p>Children learnt the benefits of working as a team to overcome a task. Teachers learnt CPD of basic circuit training which they have shared with staff.</p>	<p>Children to transfer skills into lessons/ other experiences. Staff to use this in their future lessons.</p> <p>We hope to do this again next year.</p>
Inside sporting dreams assembly	Part of Shepway package	<p>The chance for your school to get up close and personal with inspirational sports people, sharing their life stories. We focus on every aspect that helps a sportsperson achieve</p>	<p>Children were inspired by local boxing professional Josh Kennedy about how to get into professional sport. He also gave an inspiring talk about how he struggled at school but to continue to</p>	<p>Links were made with local clubs and children have been inspired to not give up.</p>

		<p>their goals. Hearing these stories first hand from our Bronze, Silver and Gold Ambassadors make them real and relatable. We also offer pupils the opportunity to get to know our ambassadors through our Q&A sessions.</p>	<p>work hard and you can achieve anything.</p>	
Squash Crazy	Part of Shepway package	<p>This gives children the chance to access a 3 hour session of squash, through our partnership with Hythe Squash Club. Pupils will learn the basics of squash whilst using an indoor portable squash wall. Each session will be for 30 pupils for 50 minutes.</p>	<p>A new sport was introduced to the children and a link with a local club made. The squash coach has upskilled teachers, increasing confidence and competence in this area of PE.</p>	<p>Teachers helped team teach/participate in lessons as part of their CPD. Links were made with local sports clubs. Gifted and talented children have been identified.</p>
First touch football	Part of Shepway package	<p>This is broken down in to two one-hour slots for 30 pupils per session. With football being one of the most popular sports in the world, it is important to help improve the abilities of our future stars. Our coaches will work on passing, dribbling and shooting skills, as well as teaching more advanced techniques. This is a good way to allow our lower KS2 access competitive football if they do not get the opportunity out of school.</p>	<p>Children in year 3 and 4 were given the opportunity to play football with a coach. This was a good lead up to the world cup! Children improved on skills and gained confidence to try techniques out in a less pressurised situation.</p>	<p>Gifted and talented children were identified and will be targeted next year for football competitions internally and externally.</p>
Boogie Bounce	Part of Shepway package	<p>Rebounding is a safe, effective and fun low impact workout performed on a small trampoline designed to absorb impact and be kind on your joints. This session will be aimed at years 3/4.</p>	<p>This was a very successful session which children and staff thoroughly enjoyed. Many children were encouraged to get more involved in trampolining locally.</p>	<p>Children have been introduced to another way of exercising. Book this session every two years for childrens in Year 3 and 4.</p>

SST Boxing Awards	Part of Shepway package	As well as learning the basic skills of boxing, the sessions will look at the importance of a balanced and healthy lifestyle through diet and exercise as well as the basic rules of boxing. A perfect course for developing confidence and self-esteem in an individual. We will use this session to help our disadvantaged pupils/ reluctant learners.	Unfortunately due to timetabling constraints this was not able to happen. However our disadvantaged pupils/ reluctant learners were given other opportunities to develop this year.	We may do this next year if it comes under the Shepway sports trust.
Sport specific twilights for teachers.	Part of Shepway package	A range of CPD sessions for teachers to learn new skills and sports.	Staff attended training sessions, learning key sporting skills. This was then shared with year group colleagues when planning and with colleagues across the school where appropriate.	Staff to feedback training from their CPD with colleagues. Teachers to identify any training they would like this coming academic year.
12 hours team teaching and staff meeting	Part of Shepway package	To help newer members of staff increase their CPD. There will also be an additional staff meeting to help raise awareness of PE in school.	The team teaching was given to our NQT and conducted by a Shepway school coach. Unfortunately only half the sessions were completed and we were not happy with Shepway schools coach, teaching approach. The staff meeting was led by PE lead and teachers were reminded of non-negotiables and the strategies that disadvantaged children could use.	We will not be using the same Shepway schools coach again. Strategies given by PE lead will be implemented into every lesson and observations will be down to check this.
Release time for teachers to attend CPD events	£200	CPD for staff leading to raised levels of understanding about how to teach specific sports and improved quality of teaching.	Staff attended training sessions and this was then shared with year group colleagues when planning and with colleagues across the school where appropriate.	Staff to feedback training from their CPD with colleagues. Teachers to identify any training they would like this academic year.

PE Leader to meet with new PE Leader at The Churchill	2 x half days @£100 per time = £200	There will continue to be cohesion between the teaching of PE at the two schools. There will continue to be more unity between the two schools in sharing their PE learning together.	As the Churchill school did not have a PE lead at the beginning of the year this did not happen. Our PE lead organised the collaborative events for both school.	PE leads will meet in September 2018 to develop colleagues and organise events.
Meetings with The Churchill	3 x half days @£100 per time = £300	There will continue to be cohesion between the teaching of PE at the two schools. There will continue to be more unity between the two schools in sharing their PE learning together.	Joint PE activities have taken place between the schools. This has been an opportunity for staff to share expertise and for children to get involved in competitive sports activities.	PE leaders from both schools to meet together to ensure continued cohesion between schools. Year group staff to meet during a joint staff meeting to plan a series of social/competitive sport activities throughout the year. Review curriculum maps and check they are still in line.
Imoves dance and gymnastics scheme	£1000	A new indoor PE scheme of work which is online. This will program will use activity to promote great learning, physical health and mental well-being imoves is the framework for building an active school and works across the curriculum. <ul style="list-style-type: none"> • Digital platform with over 1,000 curriculum-based active lessons and activities • Interactive movies, supporting lesson plans, tailor-made fun and funky music, flashcards 	Children have engaged well with this interactive resource and teachers confidence has been raised. Teachers have got professionally written plans that they have adapted and well-made resources to use. Teachers have been able to link in their PE curriculum with their themes more easily and target gifted and talented children more easily.	Imoves will continue to be used to assist our dance and PE curriculum. PE lead to do online webinar about how to make sure this resource is being used fully.

		<p>and assessment</p> <ul style="list-style-type: none"> • Easy to plan, teach and assess • Suitable for all, especially your kinaesthetic learners • Written by teachers for teachers! 		
Swimming coach	£1500	<p>Money will be provided to help children attend swimming sessions this year and achieve the national curriculum requirements.</p>	<p>All children in year 5 and 6 have had the opportunity to learn swimming over two terms this year. Children have been given lifelong skills that will keep them safe around water.</p> <p>Teachers have also learnt from professional coaches and this knowledge is shared among the year 5/6 team.</p>	<p>By the end of year 6:</p> <ul style="list-style-type: none"> • 95% (41/43) of our year 6 children can swim competently, confidently and proficiently over a distance of at least 25 metres. -The two children that still cannot swim are now extremely confident in water and beginning to use basic strokes. • 93% (40/43) of our year 6 children can use a range of swimming strokes effectively • 49% (21/43) of our year 6 children can perform safe self-rescue in different water-based situations <p>These children will be able to be safe around water and no what to do if they get into trouble.</p>
Resources to support	£1000	PE will be well resourced matching the	We have a range of quality resources	We will continue to monitor the

the new curriculum.		needs of the new curriculum map 2017-2018 to meet the needs of all children.	at school which are used effectively to support PE. Resources are monitored by PE leader and updated as appropriate.	use of resources. These resources are not only used in lesson but for breakfast, lunchtime and after school clubs.
Water sports day for year 5/6	£300	Children will have the opportunity to participate in a water sports afternoon where they will learn new skills and be exposed to sports they don't normally do. This will also give children a link with local sailing, SUP and kayaking clubs.	Every child in year 5/6 took part in a day of paddleboarding and kayaking. This exposed to children to two sports that they had never tried and boosted the resilience and confidence of all children. Links were also made with Folkestone sea sports.	We will continue to use this link with this club next year. We will take our new year 5s paddleboarding and kayaking, while the year 6's experiences a day of sailing - a new sport.
New Gymnastics equipment	£1700	PE will be well resourced matching the needs of the new curriculum map 2017-2018 to meet the needs of all children.	We have invested in new gymnastic mats, horses and a vaulting trampoline. The children have made good use of the mats providing safer lessons and more opportunities to perform.	We will use all of his equipment next year and continue to upgrade equipment when we need it.
District Sports	£50	Children to take part in the district sport events. This will encourage children healthy sportsmanship and given the G&T athletes to be challenged further.	Our gifted and talented children were given the opportunity to perform at a highly competitive level.	We will enter district sports again and PE lead will help teachers identify the gifted and talented children to be put forward to this.
Canoe competition	£50	Children will have the opportunity to compete in a canoeing afternoon where they will learn new skills and be exposed to a sport they don't normally do. This will also give children a link with canoeing centre.	10 of our pupil premium were selected to represent the school at this event. During the day they learnt canoeing skills in a fun and controlled manner and in the afternoon they were given the opportunity to compete. Our school came first.	We will enter this event next year and continue to target our pupil premium children. Links have now been forged with Seapoint canoe centre. We will direct children towards summer camps and activity days.

Coaching and event organisation for reception	£200	CPD for staff leading to raised levels of understanding about how to teach areas of PE and improved quality of teaching. Children to be motivated by working with an experienced coach.	The CPD provided by sports coaches has upskilled teachers, increasing confidence and competence across different areas of PE. This has been particularly beneficial for our NQT and newer teachers. The opportunity for children to have been taught by and 'expert' has led to greater development of skills, motivation and encouraged involvement in sports beyond the school setting.	We will continue to work with sports coaches. Teachers will team teach/participate in lessons as part of their CPD. Staff are expected to complete a CPD evaluation form at the end of the term to show the impact this has had on their future practice. Coaches will continue to signpost children to specific clubs where they can develop their interests and talents.
Coaching for our NQT	£1200	CPD for staff leading to raised levels of understanding about how to teach areas of PE and improved quality of teaching. Children to be motivated by working with an experienced coach.	The CPD provided by sports coaches has upskilled our reception teachers, increasing confidence and competence across different areas of PE. The opportunity for children to have been taught by and 'expert' has led to greater development of skills, motivation and encouraged involvement in sports beyond the school setting.	We will continue to work with sports coaches. Teachers will team teach/participate in lessons as part of their CPD. Staff are expected to complete a CPD evaluation form at the end of the term to show the impact this has had on their future practice. Coaches will continue to signpost children to specific clubs where they can develop their interests and talents.
Coaching for children attending breakfast and after school clubs	£1200	Children to be motivated by working with an experienced coach. This aimed at helping out persistent absentees have an extra incentive to attend school and helps the children start their day off with a good mind-set.	Persistent absentees along with children in breakfast club have been encouraged to attend these sporting sessions to improve energy levels in the morning. Children have had opportunities to engage in more sport and mix with children they wouldn't	This will continue next year and will keep focussing on absentees to try and get them wanting to come into school.

			normally spend time with.	
Release time for PE lead to observe members of staff	£1750	CPD for staff leading to raised levels of understanding about how to teach specific sports and improved quality of teaching.	All members of staff were observed teaching a PE lessons and PE lead was able to identify next steps and targets for teacher development.	PE lead will continue to observe teachers next year and use this opportunity for development.
Money for residential trip	£500	Additional money will be given to help some of our pupils attend three days of OAA residential in June. Making sure that they get the same opportunities as others in school despite family income.	Children have had an amazing time learning new outdoor adventure skills and being challenged to push the boundaries of what they can normally do.	The skills learnt on the residential will be lifelong and there has been a marked difference in the self-esteem and confidence of these pupils since. This will continue into their life and we as a school will continue to measure that all children can have this opportunity.
Jack Green	£2500	Jack Green (Olympic 400m hurdler) to come in and talk to children about his experience of the recent Commonwealth Games and Olympics. Children will be inspired to explore athletics and find out how to join in with athletic events locally.	Jack taught children about the importance of having determination and patience when following your dreams and warned children of the everyday sacrifices an Olympic athlete has to make. He also highlighted to children that if you aspire to reach the top you have to put the hard work in, no matter what goals they have in life.	Teachers will continue to promote the sporting principles Jack promoted in school. Children will also hopefully be able to participate in athletic competitions run by Shepway sports trust and KS2 can enter district sports.
Swimming training for TAs	2x £350 = £700	Two of the year 5/6 TAs will complete a course in Assistant swimming instructors, providing them with qualification in teaching swimming. This will be valuable when we take the children for swimming lessons.	This did not happen this year as we had too many staffing changes however we will do this next year.	TAs will have swimming coach training next year.

Equipment to make playtimes more active for children	£500	Develop a new system of different equipment to be make available on each day of the week to encourage more active playtimes in the summer term when the weather is better. From Frisbee Fridays to Whack it Wednesdays!	This will start in September 2018	This will start in September 2018
Total planned spend to date:	Approx. £16, 850 *+£3000	This £3000 will roll over to next year to go towards buying fitness equipment package for the playground.
