Sports coaching	£3000	<p>CPD for staff leading to raised levels of understanding about how to teach areas of PE and improved quality of teaching in the changing curriculum. Children to be motivated by working with an experienced coach.</p>	<p>The CPD provided by Premier sports has coaches has upskilled teachers, increasing confidence and competence across different areas of PE. The opportunity for children to have been taught by and 'expert' has led to greater development of skills, motivation and encouraged involvement in sports beyond the school setting. We will continue to work with sports coaches. Teachers will team teach/participate in lessons as part of their CPD. Staff are expected to complete a CPD evaluation form at the end of the term to show the impact this has had on their future practice. Resources to support the new curriculum.	£1000	PE will be well resourced matching the needs of the new curriculum map 2017-2018 to meet the needs of all children.	We have a range of quality resources at school which are used effectively to support PE. Resources are monitored by PE leader and updated as appropriate.	We will continue to monitor the use of resources. These resources are not only used in lesson but for breakfast, lunchtime and after school clubs.
Water sports day for year 5/6	£300	Children will have the opportunity to participate in a water sports afternoon where they will learn new skills and be exposed to sports they don't normally do. This will also give children a link with local sailing, SUP and kayaking clubs.	Every child in year 5/6 took part in a day of paddleboarding, kayaking or sailing. This exposed to children to water sports that they had never tried and boosted the resilience and confidence of all children. Links were also made with Folkestone sea sports.	We will continue to use this link with this club next year. We will take our new year 5s paddleboarding and kayaking, however we will no longer be making links with the sailing club. Year 6s will do more OAA activities on their residential.
District Sports	£50	Children to take part in the district sport events. This will encourage children healthy sportsmanship and given the G&T athletes to be challenged further.	Our gifted and talented children were given the opportunity to perform at a highly competitive level.	We will enter district sports again and PE lead will help teachers identify the gifted and talented children to be put forward to this.
Canoe competition	£50	Children will have the opportunity to compete in a canoeing afternoon where they will learn new skills and be	10 of our pupils were selected to represent the school at this event. This will also give children a link with canoeing centre.	skills in a fun and controlled manner and in the afternoon they were given the opportunity to compete. Our school came first.	Links have now been forged with Seapoint canoe centre. We will direct children towards summer camps and activity days.
Coaching for children attending breakfast and after school clubs	£2000	Children to be motivated by working with an experienced coach. This aimed at helping out persistent absentees have an extra incentive to attend school and helps the children start their day off with a good mind-set.	Coaching during breakfast club has encouraged children to get to school on time and start the day motivated. This has had an impact on our pupil premium children.	Next year we hope to keep the coach coming in to help motivate children.
Release time for PE lead to observe members of staff	£750	CPD for staff leading to raised levels of understanding about how to teach specific sports and improved quality of teaching.	PE lead has monitored the teaching and learning along with planning this year and provided teachers with feedback to improve. Resources/CPD has also been evaluated by PE lead during this time.	Feedback will be utilised in lessons with teaching and learning improving even more. This will continue next year. PE lead will continue to adapt curriculum for teachers and find further CPD opportunities where needed.
Money for residential trip	£500	Additional money will be given to help some of our pupils attend three days of OAA residential in June. Making sure that they get the same opportunities as others in school despite family income.	Children have had an amazing time learning new outdoor adventure skills and being challenged to push the boundaries of what they can normally do.	The skills learnt on the residential will be lifelong and there has been a marked difference in the self-esteem and confidence of these pupils since. This will continue into their life and we as a school will continue to measure that all children can have this opportunity.
Swimming training for TAs	2x £350 = £700	Two of the year 5/6 TAs will complete a course in Assistant	This did not happen this year as we had too many staffing changes	TAs will have swimming coach training next year.

		swimming instructors, providing them with qualification in teaching swimming. This will be valuable when we take the children for swimming lessons.	however we will do this next year.	
Equipment to make playtimes more active for children	£500	Develop a new system of different equipment to be made available on each day of the week to encourage more active playtimes in the summer term when the weather is better. From Frisbee Fridays to Whack it Wednesdays!	The gym equipment has been a great success for children. The equipment is in constant use at break time and lunchtime and allows less active children the chance to be physically active. Helping children meet 60 minutes of exercise a day.	PE lead will continue to think of other ways to keep all children active during school hours and hopes to encourage teachers to have more active classrooms and start themed PE activities each day in term 6 <ul style="list-style-type: none"> - Mile Mondays - Tennis Tuesdays - 'Whack it' Wednesdays - Throwing Thursdays - Frisbee Fridays
Total planned spend to date:	Approx. £16, 850 *+£3000	Last £3000 to be reviewed by PE lead and head teacher in January
