### Areas to consider:

- Please could we have a door bell on the kitchen door to alert staff to open the door? Since the new doors and extension, staff do not hear children banging!
- A nightmare walking to school with the cars parked on the pavements!
- Please explain what the levels mean / how they work/ how they relate to 'average children in each year group' (4 comments along these lines)
- Homework for her age is quite hard

### Our Actions

- Last week on the reverse of the newsletter I included a diagram of how the levels progress work and indicated how they relate to 'age expectations' (If you look on the newsletter page of the website – Spring Term 5) I hope this helps, if not please come and speak to myself or Mr O'Brien. We will include this diagram each time we send the targets home in future.
- The new school doors are unlocked between 7am- 4pm – so please come straight in.
