Selection of suggestions of improvements we could make:

A copy of the Primary Times for all children in their book bags	We will look into this
The first three weeks when the children start school are hard on a working parent - maybe more of a routine would be helpful - for example all mornings / all afternoons I am concerned how many PE sessions are cancelled - understand the logistics but it is disappointing	We understand the frustrations here. We plan for children to come in for different sessions when they start school so that they can get used to different aspects of school life. We do try and get the children into school as soon as we can. We will keep reviewing the way these sessions are planned It is! The hall is fully timetabled for PE lessons, for lunchtimes daily and assemblies. There is just no wriggle room. We try our best not to cancel PE sessions; sometimes we have no choice and no capacity to plan another session into the week.
More photographs on the website please	Will do!

It would be useful to have a parents workshop showing how to teach your child maths The same book is sent home weekly for guided reading - can we have more?	We are planning parent workshops to explain how we teach Maths, reading and phonics for early on in the school year next year. Keep a look out for more information on the school newsletter. These sessions will also help you support your child at home.
Term dates for next year please	They will be added to the website over the weekend
More after school clubs please	
The ability to text message both parents on the same day	If this applies to you please come and see me about it - we can arrange something!
Landing pad assemblies each half term	This year Landing Pad assemblies were timetabled in for terms 1,2 & 4. In
please	2016-2017 they will be timetabled for terms 1,2,3 & 4. Term 5 is such a short half term that we intentionally do not schedule one in then. In term 6 there are so many things planned that we do not have time to fit one in!

A STATE
