Dear parent

It seems early to be considering your child's choice of secondary school as they are still in year 5, but the process starts early as you will see from the dates enclosed. If you wish for your child to apply for the Kent Test then you must register and apply online by the 1st July 2016. The registration website is listed below and is open now:

www.kent.gov.uk/ola

You may also apply for your child to take the Dover or Shepway Tests in addition to the Kent Test. If you wish to do this I would strongly advise that you visit the schools on their Open Evenings where they will discuss their entrance test and their deadlines for registration. Please be aware that not all schools have the same tests or deadlines as you will see from the additional sheet enclosed. Please look at the school websites for more details.

.....

Open days for the Folkestone Academy and Brockhill are normally held in September. Please keep a look out on their websites or our newsletters for updates. We will pass on details when we receive them. Applications to all secondary schools open in September 2016 and close on the 31st October. Again the process is an online one and we will give you more details at a later date.

If you have any questions about the process please don't hesitate to contact either Miss Ward or Mr. O'Brien.

Yours sincerely

Aly Ward
