Friday 20th September

Dear Parents,

This week at Hawkinge Primary School started in a flourish of excitement when Miss Dawe received an e mail telling us that the school had been awarded a 'silver award' for our science curriculum. We are really pleased that our science curriculum has been recognised by the National Primary Science Team as being of a high quality! You will see the logo that we can now use on our headed paper below with the other logos (I will run out of space soon!!) It is wonderful that staff can be recognised in this way for their hard work - and a special thank you must go to Miss Dawe and Miss Sotiriou for all their hard work in collating the evidence - our next job is to 'go for gold'!

The excitement of the week continued with sixty 4/ 5 year olds starting their school career on Wednesday full time! They looked so smart and mostly excited about coming to school! Mr O'Brien and I have been to visit Paddington Bear Class and Corduroy Classes to read them a story / sing a song, and they seem to be enjoying school life. I have no doubt that they will sleep very well this weekend, and may be wobbly on Monday when they realise they have to do it all again!

This week saw the classes launching their new themes. The Year 5&6 classes launched their theme 'It's all Greek to me' by having a Greek food tasting workshop and a Greek dancing workshop!

Year 3 & 4 class launched their theme 'Awesome Aztecs' by having a food tasting morning - they tried nachos and a variety of different traditional Mexican dips, with hot chocolate!

Year 1& 2 will be launching their theme entitled 'An Indian Feast' on Monday when they have a Belly Dancing workshop!

So, as you can see it has been an exciting week at Hawkinge Primary School -to top it all the new doors have been fitted, and hopefully this weekend the corridor will have been painted too!

Have a good weekend

Car Park Etiquette!

Can I ask remind everyone of the 'Car Park Rules'?! To ensure that congestion is kept to a minimum at the end of the school day, please do not leave your car unoccupied unless you have either parked in a parking space, or are parked along the left hand side of the car park. Certainly please do not leave your car parked in the mouth of the car park gate!
