Dear Parents,

Thank you for all your support with Children in Need last week. We raised the grand total of £229! The children really did enjoy telling their classes about their hero's ranging from Drs to parents, it was humbling to hear about some of the stories the children were telling. Ms Thompson particularly would like to thanks Lyall and Jack who worked hard all week selling the wrist bands, they did a sterling job!

Next week we are having a 'special' week in school -Christmas Truce Week. You may have seen the Sainsbury's advert and might have heard about the Christmas Truce that took place along the Western Front around Christmas time 1914. The children will be learning that the truce did not happen everywhere, or indeed every year but will be learning about why the truce took place, what happened and about life in the trenches during World War One. Some of the juniors will be able to 'interview' a soldier in one of the trenches, other children will be making trench cake (a cake that soldiers made in the trenches to keep up their spirits). Classes will also learn the important role that football (and other sports) played in the Christmas Truce. The children will be finding out that there was no 'Official Truce' but many unofficial ones. Classes will also learn about historical accuracy in reporting facts and how some 'facts' are embellished and a romantic image is created around harsher facts - amongst other historical skills. The work will be going on in every class, all week. I do hope your son / daughter keep you well informed. Photographs from the week will be published on the school website. The week will be followed up by a visit from a drama group on 8th December who will be presenting a version of the Christmas Truce story to the children.

Can I remind you that school will be closed on Monday 1st December for a Teacher Training day? The After School Club will be open on that day if you would like to use it. Contact Anika on 07909 935 821.

Have a good weekend

Aly
