30<sup>th</sup> November

Dear Parents / Carers,

In last weeks newsletter I said that Wednesday would be Mrs Carroll's last day at school before she had her baby, but this weekend I had a text from Mrs Carroll on Sunday morning to say that her little baby had arrived early! Andrew Carroll surprised everyone by being born on Saturday evening at a very healthy weight of 7lbs and 7oz. On Wednesday afternoon we had a small get together at school and met Andrew, and Mrs Rand brought Jessie along too! All four of them are doing really well.

Children in Ms Thompson and Miss Milborrows class have been celebrating Diwali this week. Mr O'Brien and I have been lucky enough to have been invited to both parties! The children have had fun making the party food (especially the sweets), dressing up and doing traditional dances - hopefully photographs will be added to the school website over the weekend.

Thank you to all parents who brought their blue bags into school this week - there was a good amount of bags, so hopefully that will generate some income for the PTFA. The PTFA are busy organising Christmas events at the moment - I have included them all on the reverse of this newsletter so you can add the dates to your calendars at home! Christmas Gift Wrap evening (17<sup>th</sup> December) is always an evening they appreciate many hands to help do the wrapping. If you could spare an hour please do drop in between 3pm - 7pm.

Next week sees the start of December, a time when we start thinking about Christmas. However, in school we intentionally do not start thinking about Christmas too early. The week beginning the 10<sup>th</sup> December is assessment week in school. During that week the children will complete assessments so that we can track the progress they have made since September. On the Friday of that week we will be going to the panto, and on the following Monday post boxes will be put up in classrooms as will the Christmas decorations, which will start the Christmasy feeling in school. Could I ask you to discourage your son / daughter from bringing Christmas cards in before the panto trip? That way we can ensure Assessment Week is a focussed week and the children perform to the best of their abilities without being distracted by Christmas cards! Thank you for your support with this.

Have a nice weekend
