Dear Parents/ Carers,

This term, to link in with our theme, "How Did Queen Victoria's Reign Influence Children's Lives in Britain Today?" We would like the children to complete a research project presented in the form of a poster or PowerPoint. This can be about either of the following: an aspect of Victorian Britain or about Queen Victoria herself.

In the last week of term, the children will share their finished posters or presentations in a class gallery. They will then peer assess what they have produced.

Children may use ICT to produce their posters, however, they should be **no larger than A3**. If they do not have access to ICT at home we will happily let the children stay in at lunchtime to complete their homework on a laptop. Plain A4 or A3 paper is available from class teachers on request.

In addition, children will be set weekly Maths homework and all children will be expected to read regularly as before.

We hope you enjoy working with your child on their research project!

Best wishes,

Mrs Maitland, Miss Pearson, Miss Sotiriou and Miss Thacker.
