Friday 15th February

Dear Parents,

This term has absolutely flown by. I cannot believe we are breaking up for half term today. On the reverse of the newsletter is a copy of the curriculum overview for next half term so you can find out more about the theme the children are learning about when they return to school. Can I remind you that the children return to school on Tuesday 26th February - not on the Monday? On Monday we have a staff training day.

It has been wonderful to see so many parents at the Landing Pad Assemblies this week. I know how much the children enjoy performing their songs / dance routines to you and showcasing their work from the term, I hope you enjoyed it as much as they did.

I hope you received a letter yesterday about World Book Day. We will be celebrating World Book Day during the second week in term 4 (on Thursday 7th March). We don't ask children to dress up on World Book Day at our school as you know - instead this year Miss Milborrow has asked that your children create a 'diorama' of one of their favourite books. Please see the letter for more information. I am looking forwards to seeing them all already!

For the older children Term 4 sees the start of the Herald Cup season. The Herald Cup is a football tournament between local schools. It is a favourite time of the year for some of our older pupils who enjoy representing our school in this way and enjoy the friendly competition between the schools. We will keep you posted as to how we get on, on a week by week basis!

We will be following the school lunch menu from week three on our return to school after half term.

I hope that everyone has a restful and enjoyable half term,

Aly
