Friday 14th February

Dear Parents,

Last week ended with pupils from Hawkinge Primary School playing our second friendly match against Churchill Primary School resulting in a 3 – 1 win to The Churchill School. In an entertaining game, half-time came with the score still being 0-0. In the second half Hawkinge took the lead through Joe. However, in the final 15 minutes Churchill scored three goals to finish as 3-1 winners. The children from both matches performed well and the games were played in good spirits, with 28 children representing our school over the two fixtures. Thank you to Churchill for hosting the two fixtures and I'm sure we might manage to squeeze in another friendly before the end of the season. Thank you to the many parents/grandparents who braved the weather to watch the two matches! Team: Ole Bleach, Rosh Rahman, Zurine Ennor Diaz De Cerio, Bella Hadlow-Attia, Skye Mann, Harry Phillpott, Beau Blaskett-Foord, Oscar Lingham, Joe Scrivens, Nicholas Segmen, Zane Edwards, Nathan Harre-Young, Jenil Limbu and Charlie Lord. Today some more of our footballers are travelling to Sandgate Primary School for the final friendly match of the term – we will let you know how it goes after half term.

It has been wonderful once more to see so many of you this week at the Landing Pad Assemblies – particularly the parents of Year 3 and 4 pupils who braved the rain to wait to be let into school! Many of the classrooms were so full that neither Mr O'Brien or I managed to get into them to watch the assemblies – however from the assemblies we managed to get into we saw such a high standard of learning and performances, including some great singing. Thank you for supporting these assemblies the children love to share what they are learning with you.

On the reverse of this week's newsletter is the curriculum overview for your child for term 4. As usual there are some tips about how you can best support your child in preparing for this unit of work – from books to share to places to visit. We hope you find this useful. During the first week of term 4 the children will have their Launch Pad events to start the terms theme which range from dance lessons and visits to local places of interests to finding more out about Italian Renaissance Art. Something to look forwards to over the half term break!

I hope everyone has a nice half term break, don't forget we start back at school on Monday 24th February.
