Dear Parents,

Have you seen a copy of this week's Kentish Express? The newspaper came to photograph the whole school last Friday and we have made the front page and a centre page spread! The photograph looks smashing - It is like a 'Where's Wally picture'. If you buy it, can you spot: a boy yawning? How many children have their eyes shut? How many have turned to look behind them as the picture was taken? Can you work out which teacher was missing? Can you spot someone covering their ears? How many children are sticking their tongue's out? (hours of fun!)

As usual, the school is a busy place over the school holidays - when the children come back they will notice new green floors in all the corridors, a new floor in the Junior library, the 'paved area' will have changed beyond recognition with new facias and be laid to artificial grass. Facias around the whole school will be replaced. The new heating system will be up and running, old radiators removed and many of the holes that their removal causes will have been filled in, and repainted. Even the staffroom is being renovated! The school will be almost unrecognisable!

Lots and lots of 'Lost Property' has been gathered in this term, for the first week back there will be a 'Lost Property table' set out each morning, at the end of the week anything left behind will be bagged up and donated to the Bags to School collection - so please check the Lost Property table before and after school.

Have a lovely 2 weeks - I hope the sun shines for us all, I expect I will miss the daffodils coming out on the Hawkinge Hill - I always know spring has arrived when they start to come through! Don't forget we have a staff training day on Monday 15th April. The children start back on Tuesday 16th.

Remember - take some photographs of extreme reading!

Football Report

St Mary's v Hawkinge Primary School

On Friday 22nd March Hawkinge Primary School played a Herald Cup Match against St Marys School from Folkestone (Mr O'Briens brother trains their team!!!)

St Mary's team played really well as a team and scored several goals in the first half (one from a huge throw in)

Mason scored a really good goal in the second half (he had been suffering with a bad back earlier on in the day – although you would not have known when he was celebrating!

Final score was 4:2

Although we lost we want to say thanks to our brilliant coach Mr O'Brien!

Where is the most extreme place your child has ever read a book? Whether it is up a tree, on top of a mountain or stood on their head, we want your photos! Your Easter Holiday challenge is to take a picture of your child reading somewhere extreme and send it in to school by Friday 19th April 2013

Every week - take a peek!

Please check your child's hair for head lice this weekend, there seems to be an outbreak of headlice in school at the moment.
