Dear Parents

It has been wonderful to see so many parents at Parents Evening this week, even with the England match on Wednesday night! Thank you as always for your continued support.

On Thursday the children went to meet their new teachers and class mates. They learnt about their new class names and completed various activities. As you know we change the class names each year and try to make sure they relate to something in either our curriculum or something that is going on in the world at the time. Next year since we will be marking the centenary of World War 1 we have decided to name all the classes after animals who had an impact in the war. Overleaf are the class names - the children will be learning more about how the animals helped in the War during assemblies in term 1.

I am sure you have had time to read our Ofsted report by now. We were absolutely thrilled by it. It was great that the inspector saw many of the things we have worked hard to create over the years and recognised the happy place that Hawkinge Primary School is. As the year is drawing to a close we have been getting our end of year data returned to school. Below is a table we thought you would be interested in - we are exceptionally pleased with our data again this year. The children and staff at our school work so hard all year, it is wonderful to see how well they attain at the end of each key stage (showing that our school attains much higher than 'national average' in all areas!) I feel very proud to be the headteacher of Hawkinge Primary School!

	Hawkinge Primary School	National Average Scores
Year 1 phonics	86%	83%
Year 2 Reading	87%	76%
Year 2 Writing	85%	70%
Year 2 Maths	88%	76%
Year 2 'combined'*	83%	65%
Year 6 Reading	88%	75%
Year 6 Writing	95%	78%
Year 6 SPAG	95%	78%
Year 6 Maths	98%	76%
Year 6 'combined' *	88%	64%

**the combined percentage is the number of children who got expected in reading, writing and maths*

Have a good weekend

September 2018

The children will start back at school on Wednesday 5th September. The teachers will be in from the Monday for Teacher Training Days (so don't panic if you see cars in the car park!)

Pupil Voice

This week, on Monday, was the Year 5s first pupil voice session ready for next year. Sadly, it was the Year 6s last pupil voice session as they are leaving us and going to Secondary School next year. In pupil voice this week the Year 5s asked the pupils in their groups "What have you enjoyed this year?" and they have enjoyed school trips and some specific themes. We also asked what they would like to do more of next year and ideas include: art, sports like cricket and many others as well as more geography, maths, history and English. The Year 6s did an arts questionnaire. The arts are things including: drama, art, music, sports, singing and many more.
