Dear Parents,

At Hawkinge Primary School we work hard all year to ensure your child gets the best provision possible, so it is fitting the year has ended in a way that we can demonstrate our successes. We are pleased that Ofsted recognised the great work we do at the start of this term. Midway through this term we were able to publish our end of Y2 and Y6 SATs results which we are very proud of. Last week pupil represented our school in three different sporting activities - district sports, a canoeing event and a Cross Country Competition. In each aspect the children performed exceptionally well.

- At District Sports one of our pupils achieved gold in long jump - meaning she can jump further than any other child in Y5/ 6 in Shepway, whilst Alicia Smith and Kieran Phillpott came 2nd and 3rd in the javelin. Molly Surridge came 4th in the 400m too!
- A team of 10 Y6 pupils attended a canoeing competition - the first time Hawkinge Primary School have entered the competition. The team were awarded the 2nd fastest ever time to complete the event! Well done Sarona, Kashif, Luke, Onyx, Rumeysa, Ben, Jenna, Katie, Kieran and Jesse.
- The Cross Country Run was attended by a team of Y56 pupils (Thomas, Aaron, Louie, Allfie, Maisie, Daisy, Sophia, Daisy, Ewan and Tillie) and a team of Y34 pupils (Ryan, Oliver, William, Louis, Madison, Izobelle, Jessie May, Izzy and Zurine). The children were competing against teams from 7 other schools. The Year 56 team won and achieved 'first place' as did our Y34 team too! Great performances were achieved by all children participating.

On Wednesday our school was also awarded the **Silver School Games Mark** in recognition of our PE curriculum and sporting achievements. Many thanks to Miss Stagg who leads PE in the school and works so hard to ensure children can participate in a range of sports and a range of competitions.

This week on Wednesday and Thursday evenings we have been entertained by our Year 6 Leavers play. The standard of their performance was excellent - the acting, the singing and the way the children presented themselves - comic timing was excellent! I was blown away by the children who had the confidence to perform a solo on stage - such strong skills of singing. What was wonderful, in addition to the exceptional standard of the performance, was that the children were clearly enjoying every minute of the performance on the stage.

I always feel so lucky to have the job I have and am so proud of our school - this week sums it up perfectly - we set the standard high for academic achievement (of course!) but because we value and understand the importance of sport and The Arts in our school the children reach high levels of attainment in these areas too.

Don't forget Tuesday is our last day of the school year and the children start back on Wednesday 5th September.
Have a good weekend

Home times in September.

It is always complicated in September knowing where to collect your children from at the end of the day. Pupils in Miss Hanner, Miss Dawe, Miss Stagg and Miss Janmans classes will exit through their classroom doors onto the playground.

Pupils in Miss Maitland's class will exit down the steps next to her classroom that face onto the car park.

Pupils in Mrs Rand and Miss Maddens classes leave the school building at the end of the Year 5&6 corridor – just before the slope that leads to the area the reception classes leave from currently.

Miss Sotiriou will dismiss her class from the doors the children use to enter the school in the morning.

Miss Thacker will use the school hall door (opposite the mobile classroom)

Miss Nicholson Taylor and Mrs Bull will use the door that is near the bike racks (behind the mobile classroom) If you are not sure please ask Mr O'Brien or myself next week before the children break up from school so that we can all be confident about where children will be collected.
