Dear Parents,

It has been super to see so many parents attending the Parents Evening Appointments this week – thank you for coming along. I am sure by now that everyone knows roughly which each class is called and the teacher for each class. I thought it would be nice to confirm this in a newsletter, please see the table below. As you know we change our class names each year and link the names to something in our curriculum. Next year, in term 6, we will be learning more about the Olympic Games in Tokyo, therefore the classes this year will be called after Olympic cities.

I have already mentioned we have two new teachers joining us this year – Miss Milborrow (Year 3 / 4) and Miss Yarrow (Year 1). Another teacher will be returning with a change of name in September. Miss Stagg will be getting married over the summer and will become Mrs Groombridge. I am quite sure you will want to join with me in offering them many congratulations. We are all very excited about it! I am sure you will agree that Miss Stagg will make a beautiful bride.

We have had an absolutely great Health Week this week – superbly organised by Ms Tappenden and her Health Ambassador Team. I am sure your children have told you all about it. The children have particularly enjoyed the lunchtime sporting activities. We will give you an update about the week next week.

Surviving the Summer Holidays

Parent Workshop

Thursday 18th July 2018

9.00 – 10.30 am

Come rain or shine, the summer holidays can be a little stressful at the best of times!

Whether it is coming up with ideas to keep the children amused, bad weather, siblings arguing or cries of "I'm bored!" - it can be overwhelming.....

.....Or it can be so much fun, it's hard to get the children back to school in September!

Come along to our parent workshop to explore ways to make the summer break more enjoyable for everyone:

- Creating a 6-week planner
- Planning around weather / budget / individual needs
- Helping children to cope with changes to their daily routines
- Keeping everyone safe while you're out & about
- Managing over excitement / boredom / bickering
- Keeping the children entertained
- Info about local events, clubs & activities
- Ideas for rainy day activities
- Preparing for the return to school in September

Please complete the reply slip below to book your place.

I /we would like to attend the Surviving The Summer Holidays parent workshop on Thursday 18th July, 9.00-10.30am
